

Please join us for the first formal CAC meeting of the season on Tuesday, Oct. 1 at our FWP Region 1 Office in Kalispell. Dinner will be served at 6 p.m. and the meeting will begin at 6:30 p.m. We will adjourn at 9 p.m.

FWP regional wildlife manager Neil Anderson will provide an update on chronic wasting disease and the incident response in Libby. We will also have a roundtable discussion and plan for the new season of meetings.

For dinner planning purposes, active members should inform me if they cannot attend the meeting. Active members are expected to miss no more than two meetings per season. Alumni are always welcome to attend and should RSVP. Thank you!

We look forward to another season working with you all.

Best,

Dillon Tabish
